Paula Barata
Associate Professor

Working in the community to improve programs and policies for women who have experienced violence and on campus to reduce sexual assault

Self-injury Outreach & Support
www.sioutreach.org

Myth: Sexual assault is rare.

Fact: More than 1 in 4 U of G women have been sexually assaulted.

Interested in obtaining knowledge and skills that may help you and your friends resist sexual assault?

Join us for a free interactive workshop

For women, age 17 – 28
Nov 16/17, 2013 on campus
Lunch and snacks provided

Includes self-defense training

Become a more knowledgeable friend and ally to other women

Stephen P. Lewis
