J.D. McLEAN VISITING PROFESSORSHIP

On the evening of December 2nd, Dr. R.J. Hildreth, Assistant Director of the Farm Foundation, Chicago, will present a lecture on the topic "The Role of Agricultural Economics as a Discipline". This lecture will be held in Room 101, Economics Building, at 8:00 p.m.

Dr. Hildreth will be presenting a series of lectures to the staff and students of the Department of Agricultural Economics during the period November 30th to December 2nd. These lectures are made possible by Canada Packers Limited through their financial support of the J.S. MacLean Visiting Professorship.

INSTITUTE OF ELECTRICAL AND ELECTRONIC ENGINEERS

Dr. J.C. Rennie is speaking to the Guelph section of the Institute of Electrical and Electronic Engineers in the Field Husbandry Building, at 8 p.m. on Tuesday, December 1st, on DIGITAL COMPUTERS.

The talk will cover:

1. What is a digital computer?
2. Computer developments.
3. Application of computers in research at O.A.C.
4. Domonstration on the I.B.M. 1620 computer.

Dr. Rennie will be assisted by Professor R.R. Grinnell of the Department of Engineering Science and Mr. H.M. Thomson, I.B.M. Systems Engineer.

Faculty members are welcome.

THOUGHT FOR THE WEEK

Definition of a Lecture: "Something that can make you feel numb on one end and dumb on the other."
